TERRE

About TERRE Policy Centre — a Pune-based environmental NGO with **UNFCCC COP Special Observer status**. Known for large-scale plantation projects and an ocean-stewardship partnership with the **IOI Ocean Academy**, and the proud host of the acclaimed **international TERRE Olympiad** that has engaged students across the world.

— WHAT EVERY PHASE 1 STEWARD GETS

01

A certificate that travels the world

Finish Phase 1 and earn a TERRE certificate carrying the logos and standing of UNFCCC, UNESCO and IOI Ocean Academy — recognised far beyond your classroom.

FREE OF COST

An environment board game

Every steward takes home the TERRE Green Stewards board game — learn how the planet works while you play. Yours to keep, on us.

03

The TERRE Wisdom lapel

Stand out in Phase 1 and earn the TERRE Wisdom lapel — your first collectible badge as a Green Steward, and proof you've qualified for Levels 2 and 3.

**SCHOOL
REGISTRATION**

How to register: the school scans this code, opens the registration form, and shares the participating **classes** and the **number of students** from each. That's it — we take it from there.

Phase 1 is the gateway: **only stewards who complete Phase 1 through their school** qualify to graduate to Level 2 and Level 3.

Grow your own living legacy

Mark a special day by adopting a real tree. The TERRE team plants and cares for it, geo-tags it in your name, and you can visit it whenever you like — it grows with you for life.

₹1,800

Students — on your birthday or a parent's birthday

₹2,000

Parents — on any special day or family event

Completely voluntary & separate from Phase 1. Open to any student or parent directly — no school approval needed.
